

Are you interested in creating a sustainable way of life?

What would you like to do?

It's easier and more fun when you try things with others.

Get involved!

Inspire others
Share ideas
Take practical action
Share skills
Spend less on fuel bills
Start growing food

Active groups in the Sheffield area have:

- ▶ Shown environmental and topical **films** at venues
- ▶ Created an edible community **garden**
- ▶ Hosted creative low-energy social **events** like the pedal powered 'Zero Carbon Cabaret'
- ▶ Organised a **street party**
- ▶ Set up a **community food project** to buy a 9 acre field
- ▶ **Organised** permaculture courses on sustainable living
- ▶ Created a **vision** for a local area in sustainable 2030

Why transition?

Shrinking resources and increasing pollution

More inequality and divided communities

What is Transition Sheffield?

We are a forum for putting people in touch to set up new groups, or respond to city-wide requests and opportunities.
